

# Duffy Hoffman Presents a Window Work Shop With David Gibney

**WINDOW RESTORATION & WEATHERIZATION**  
**JUNE 21-22 & 23-2013**  
**ELIZABETHVILLE, PA**

**Your Old House Doctor**

## Have you Ever...

- Wondered if you can save those old wood windows?
- Considered the difference in cost between restoration of your old sash versus replacing them with new windows?
- Wanted to restore your building but don't know how to hire a contractor?
- Painted your house only to find that you need to re-paint two years later?
- Wanted to know what tools you'll need for specific Window Restoration projects?

## David & Duffy have been teaching Preservation Trades for over 15 Years!

Duffy is the Owner of Hoffman Preservation & Restoration and a third-generation craftsman with more than 25 years' experience in preservation trades. Duffy is also one of the founders of the "Window Preservation Standards Collaborative", a group focused on setting the standard for window restoration weatherization. Notable projects include the Charles Carroll Manor (MD), Washington's Crossing (PA), the Highlands (PA), and the Cornwall Iron Furnace (PA). Hoffman has conducted countless Classes nationwide most notably at the International Preservation Trades Workshop (IPTW) and the Traditional Building Exhibition & Conference. He recently completed the instructional DVD Restoration of a Sash A to Z. David Gibney is also one of the founders of the "Window Preservation Standards Collaborative. David and Duffy have been teaching together for many years.
